IV QUARTER MAY TO JULY 2025

TEACHER'S OVERVIEW

**MS. SABA
AFREEN**

LEAD TEACHER

This term has been a beautiful wrap-up to an enriching academic year. The progress we've seen in our students — from gaining confidence in their routines to exploring new Montessori materials — has been truly heartening.

Each child has grown in their own unique way, and it's been our privilege to support that journey. Their transition from Playgroup to Junior class, following thoughtful observation and evaluation, marks a big step forward and we couldn't be prouder.

We're thankful to our parents for their constant support — it plays a vital role in each child's journey.

As we begin a new academic year, we look forward to more learning, discovery, and joyful moments ahead.

KHADIJA BABER
RESIDENT DIRECTOR

The final months of this academic year have been incredibly fulfilling. We witnessed tremendous growth in our children — emotionally, socially, and academically. It has been a joy to see them blossom through hands-on learning, guided exploration, and meaningful connections.

We are truly grateful to our parents for their continued trust and support. Your involvement, especially during the recent Parent-Teacher Meeting, reassured us that we are walking this journey together. Your valuable feedback helps us grow and improve.

We're proud that many of our Playgroup students have now smoothly transitioned into the Junior environment after careful observation and assessment.

As we step into a new academic year, we do so with renewed enthusiasm, bigger goals, and a deep commitment to nurturing each child's potential.

EDUCATION IS A NATURAL PROCESS CARRIED OUT BY THE CHILD AND IS NOT ACQUIRED BY LISTENING TO WORDS BUT BY EXPERIENCES IN THE ENVIRONMENT.

Dr. Maria Montessori

EVENTS CELEBRATED:

SURE MOM PROGRAM

A special session was organized focusing on child nutrition and healthy growth, conducted in collaboration with Abbott PediaSure. It offered helpful insights for mothers on supporting their child's development.

We invited mothers to celebrate a heartfelt day with their children—filled with smiles, bonding, and beautiful memories that will be cherished for years.

Before summer break, we wrapped up the term with an exciting Fun Week that included:

- POT PAINTING DAY
- COLOURS DAY
- MOVIE DAY
- GAMES & PARTY DAY

These joyful activities gave children a wonderful closure to the year.

To honor our amazing dads, we shared sweet photo moments of children with their fathers across our social media platforms—celebrating love and connection.

PROVIDING A RICH AND STIMULATING ENVIRONMENT ENCOURAGES CHILDREN TO ACTIVELY EXPLORE AND DISCOVER, LEADING TO A LOVE OF LEARNING

PARENT TEACHER MEETING

Our Parent-Teacher Meeting held in May was a meaningful opportunity to reflect on each child's progress and development. We truly value the active involvement and continued trust of our parents in the learning process.

During the meeting, parents were also informed about their child's transition to the Junior environment—a proud milestone reflecting their readiness for new challenges. With stronger independence, improved focus, and confidence in their routines, these children are now prepared to explore more advanced Montessori materials, build deeper social skills, and continue their journey of personal growth.

This smooth transition marks an exciting new chapter for both our students and our classrooms.

Thanks For
Your Support

LOOKING AHEAD

With new goals and continued passion, we step into the upcoming academic year ready to grow, learn, and celebrate every milestone, big and small. We're excited to welcome new children and families into our learning community, adding fresh energy and joyful curiosity to our classrooms.

YOUTUBE HIGHLIGHTS

We've been actively sharing moments and activities on our YouTube channel to keep our community connected:

- Teen Board Montessori Presentation
- Sheep Craft Activity
- Father's Day Craft
- Constructive Triangle
- Hajj Informative Video
- Fun Week Moments
